LETTER OF RECOMMENDATION

Moroso has been using Fiber ProTector on several occasions, among them is Clarion Hotel Arlanda and Hotel Post Gothenburg.

The treatment has made our bespoke furniture look perfect even with heavy use.

Our clients are very pleased with this treatment since the maintenance is quite easy and smooth!

We can warmly recommend Fiber ProTector treatments to anyone that wants to keep their soft furnishings look good for a long period of time.

My best regards,

Eskerica Damir
